President's Message

Each and every child is born with hundred percent memory and infinite energy. As age advances, our teaching, surrounding environment, do's & don'ts, family structure, whatever may be going on, eating, talking each and every second's activity-in front of the Godly figures, affect them and gradually make them human being like us.

All kids are gifted, some just open their packages earlier than other. If we are able to save the naturally acquired energy level of our kids and make available provisions of proper nourishment, it is possible to have very enthusiastic, intellectual, and value-based future generations who can stand as pillars of this beautiful world. About 95 % of brain development occurs, neuroscientists says, up to the age of 7 or 8 years, maximum exposure to various activities and opportunities can give a very good and sound foundation for the future. Our aim is to lay the foundation so that our goal of life will be achieved automatically.

Dr. Narayan P. Survase
President
Anandi Public School, Udgir.

Secretary's Message

APS Philosophy may be different from that of any other school you are considering as a student. You are here to prepare for a joyful and fulfilling life now, through your school days and beyond. We will present you with an opportunities to sharpen your mind, to expand your academic knowledge, and to stretch your intellectual reach while you develop your skills as an independent thinker and Confident communicator.

In the mean time, remember that you are more than an academic machine. we want you to love learning and achievement but we also want you to enjoy the arts, nature, recreation and friends as you develop your own evolving perspective on the world.

Dr. Mrs. Shamika N. Survase
Secretary
Anandi Public School, Udgir.

Principal's Message

Anandi Public School, Udgir,
Affiliated with CBSE, New Delhi, is committed to providing a holistic education that nurtures intellect, character, and creativity. Guided by the vision of NEP 2020 and NCF 2023, we emphasize experiential learning, skill development, and value-based education, ensuring our students are well-prepared for the future.

Education is not just about acquiring knowledge but about applying it meaningfully. Inspired by the four pillars of education- Knowledge, Skills, Values, and Growth, we focus on conceptual understanding, digital literacy, multi disciplinary learning, and life skills.

With the collective efforts of teachers, parents, and students, we strive to make APS a center of excellence and innovation. Let's work together to empower our students to become responsible, confident, and compassionate individuals.

As we advance, our unwavering commitment to academic excellence and holistic development remains steadfast. Together, let's inspire our students to become compassionate leaders and lifelong learners, poised to make meaningful contributions to society.

Mr. Sachin Kakade
Principal

Anandi Public School, Udgir.
